Posting Order  
*The order in which withdrawals and deposits are processed*

**We will post items to your account using the following priority:**

Credits

Preauthorized Debits – these are amounts ABNB FCU is obligated to pay because the debits were authorized based on your account balance at the time of the transaction. These include, but are not limited to, debit card transactions and ATM withdrawals.

ACH Debits (Electronic Withdrawals) – Processed in the order they are received.

Checks – Cleared in sequential order according to check number.

## Funds Availability Policy

### Your Ability to Withdraw Funds

It is our policy to make funds from your cash and check deposits available on the same business day that we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. For determining the availability of your deposits, every day is a business day except Saturdays, Sundays and federal holidays. If you make a deposit during business hours, we will consider that day to be the day of your deposit. If you make a deposit after we are closed, we will consider that the deposit was made on the next business day we are open.

In some cases, we will not make all the funds deposited by check available on the same business day the deposit is received. Funds may not be available until the second business day after the day of your deposit. However, the first \$200.00 of your deposit will be available on the first business day after the day of your deposit. If we are not going to make all the funds from your deposit available on the same business day, we will notify you at the time of your deposit and will tell you when the funds will be available.
